Subject: Call for Application for the Position of an Industry Interference Focal Person (IIFP)

The Reconciliation and Development Association (RADA) announces to the general public an opportunity to accept applications from qualified individuals for the position of an **Industry Interference Focal Person**, to support her work in the Healthy Eating Cameroon Project. The Industry Interface Focal Person will play a critical role in ensuring seamless communication about the food industry by researching and enhancing data availability and accuracy regarding the actors, actions, and supporting a response strategy by RADA and its coalition for healthier food options. The duration for this opportunity is one (1) year, including a probatory period.

Key Responsibilities (not all-inclusive, nor exhaustive):

Within delegated authority and under the direct supervision, the Industry Focal Point will be responsible for the following duties:

- Study and research on food laws and actors in Cameroon.
- Monitor and record the operations of food industry players in relation to unhealthy packaged food products
- Oversee the design, implementation, and maintenance of system data base of industry actors and actions
- Collaborate with cross-functional teams to ensure a robust, and appropriate response to industry actions
- Support advocacy objectives and actions for the promotion of healthy food in Cameroon are achieved.
- Prepare and present interface performance reports to management.
- Carryout other duties as assigned.

Minimum Qualifications

1. Must be a holder of at least, a bachelor's degree in public health, Public Policy or any other related field.
2. Must be able to carry out literature reviews, scientific writing and develop policy briefs.
3. Proficiency in working in English, with French language being an advantage
4. Must be able to use Microsoft office package, handling data basis being an advantage
5. Ability to manage multiple tasks, work under pressure and thrive in a fast-paced work environment.

Position deadline: This call will close on September 27, 2024, at midnight, WAT.

Application: Interested candidates should submit: a handwritten cover letter, curriculums Vitae, photocopies of relevant Certificates, and National ID card all scanned and submitted via the email info@recdev.org.

Sincerely,

Ferdinant M. Sonyuy
President/CEO
